Superintendent - Ellis Dix
Assistant Superintendents - Kathryn Dix - (570) 448-2824

1. The exhibitor is defined as the owner, or the name that appears on the registration certificate. All animals must be registered in a breed association and owned by the exhibitor for thirty (30) days or longer, prior to the day of the show. (*See special rules for 4-H)
2. Registration "papers pending" will be acceptable only in the case of junior calves. In such a situation, a document from a breed association verifying ownership and date of purchase must accompany the animal.
3. Exhibitors must have their registration certificates available for inspection at any time during the fair. This is especially important during judging of the group classes as officials may wish to verify ownership at that time.
4. Exhibitors will be limited to two (2) premium awards per class, with no limit on the entries, in classes 1 through 30 (individual classes).
5. Exhibitors will be limited to one entry in classes 15 & 16 (Junior Group Classes) and classes 36 through 40 (Group Classes).
6. If 15 or more cows are shown in any class, your fair will be entitled to ten premiums. If 14 or less are shown in any one class, your fair will be entitled to five premiums.
7. Exhibitors will be expected to display or parade their animals as directed by the superintendent, to accept the stall assigned without controversy; to keep their animals in attractive appearance and to cooperate with the department in every way that may serve to increase the educational value of the show.
8. Exhibitors of livestock must inform themselves as to when their stock will be judged. Stock must be in the ring promptly on call and a failure to comply with the order renders exhibitors liable to be ruled out of competing.
9. Decorations with ribbons or ornaments previously won by animals at shows shall be prohibited until after the awards have been made in the respective classes by judges.

10. **Entry forms must be submitted by July 1, 2010 to the Wayne County Extension Office. **Entry Fee--\$1.00 per animal****
11. The exhibitors will be expected to keep the space they occupy in a clean and sanitary condition and to remove all their equipment promptly as the superintendent may direct.
12. **All animals must have health certificates.**
13. ****Be sure to use only grooming products that are approved for use on meat and dairy animals when fitting your animals for show. Unapproved products may contain ingredients that result in unacceptable residues in the meat or milk. If you are not certain that a product is residue safe and approved for use on meat or dairy animals, DO NOT USE IT!!**
****Important** If upon slaughter, treatment with drugs, biologics, or any chemical from fitting products, is the cause of condemnation of a carcass, the loss of the carcass and any other damages will be borne by the exhibitor.****
