

DEPARTMENT 10
4-H
RULES & REGULATIONS

1. **ELIGIBILITY** : 4-H club members must have passed their eighth (8) birthday but not have passed their nineteenth (19) birthday by **January 1** of the current year. Exhibitors must be 4-H members in good standing enrolled in a project in the field in which they wish to make an entry, *subject to the approval of their club key leader(s) and the club's by-laws*, and be under the supervision of the Pennsylvania State Cooperative Extension.
2. The exhibitor is defined as the owner, or the name that appears on the registration certificate. All animals must be registered in a breed association and owned by the exhibitor by **May 1** of the current year.
3. Registration "papers pending" will be acceptable only in the case of junior calves. In such a situation, a document from the breed association verifying ownership and date of purchase must accompany the animal.
4. Exhibitors must have their registration certificates available for inspection at any time during the fair. This is especially important during the judging of the group classes as officials may wish to verify ownership at that time.
5. Exhibitors will be expected to display or parade their animals as directed by the superintendent, to accept the stall assigned without controversy, to keep their animals in attractive appearance and to cooperate with the department in every way that may serve to increase the educational value of the show.
6. *4-H livestock exhibitors are expected to dress neatly in the show ring. Baseball caps and sneakers are not appropriate attire. Leather work boots are recommended footwear. Clothing advertising a business and/or product or any picture or logo/saying is not appropriate for wear during shows. Last names appearing on shirts is discouraged. Dairy exhibitors are expected to wear all white for showmanship. Equine exhibitors are expected to dress according to current PA State 4-H Horse Show Rules.*
7. Exhibitors of livestock must inform themselves as to when their stock will be judged. Stock must be in the ring promptly on call and a failure to comply with the order renders exhibitors liable to be ruled out of competing.
8. **Awards from previous events and fairs are prohibited from being a part of your exhibit.**
9. Entry forms must be submitted by **July 1, 2011** to the Wayne County Extension Office (648 Park Street – Honesdale PA 18431). *Enrolling in a 4-H Club Project does not automatically enter a person for a fair class. Both a "4-H" and "Open" entry form must be submitted for proper registration by the designated entry deadline.*
10. The exhibitors will be expected to keep the space they occupy in a clean and sanitary condition and to remove all their equipment promptly as the superintendent may direct.

11. All animals must have health certificates
12. 4-H exhibitors are expected to care for, groom, and show their animals while at fairs or livestock shows. In the event that an exhibitor cannot be present to care for, groom, show, or sell their animal, they must get prior approval from the barn superintendent and an appropriate extension agent. Substitute showman must be a 4-H member of the same age or younger.
13. ALL 4-H ENTRIES must be accompanied by an *appropriate* and up to date 4-H Project record book *including supplement* in order for passes to be extended or entries to be judged. **THERE WILL BE NO EXCEPTIONS!**
14. All dairy, livestock, and horse exhibitors are required to participate in their respective showmanship classes. *In the case of livestock, members not exhibiting in showmanship will not be eligible to enter that species in the 4-H Junior Livestock Sale.*
15. In order to qualify for "Owner/Breeder" status for all species, *the exhibitor must have ownership of the maternal parent at the time of breeding.*
16. The "Wayne County 4-H Junior Livestock Sale Committee" has agreed to sponsor the "Good Housekeeping Awards" for 4-H Market Beef Steer, 4-H Market Goat, 4-H Market Lamb, and 4-H Market Hog exhibitors only.

Disqualification or a minimum of 20 points may be automatically deducted for improperly sized or improper orientation; subject to the judge's discretion.
